PERU: a journey of photographic discovery

COLTUR Peru and Adam L. Weintraub are pleased to present PERU: a photographic discovery, a program specially designed for travelers interested in seeing Peru from a photographic perspective:

How to work with the locals, how to feel a part of a place that is at first-glance foreign, and how to consider light and composition while creating your images.

Delfin Amazon Cruises announce the launch of the NEW Delfin I

With only 4 cabins, it will be the most luxurious and comfortable vessel in the Upper Amazon.

The two Master Cabins located on the Upper Deck will have a Private terrace each, and the two Deluxe Master Cabins located on the Main Deck, will have a Jacuzzi on each of their Private terraces.

These improvements on the original vessel will surely make their guests appreciate the privacy and lavishness they are ready to deliver.

TACA invested \$ 138 million in new domestic routes

Taca Airlines strength its domestic flights, initially targeting the cities of Trujillo, Tarapoto, Juliaca and a new frequency to Cuzco; being a long-term project and lasts about three years, with an initial investment of \$ 138 million.

Being a competitive firm will make the first offer tickets priced at launch.

For these flights will have acquired a brand new fleet of Embraer 190 aircraft with a capacity of 96 people with business class (eight passengers).

Aqua Expeditions: New M/V ARIA, to launch in April 2011

Aqua Expeditions will launch the second Aqua Expeditions cruise ship on the Peruvian Amazon, the *M/V Aria*, in April 2011. The *M/V Aria* features 16 specially designed cabins with floor to ceiling picture windows, a fully air-conditioned top deck with Observation Lounge, an exercise room, outdoor Jacuzzi with Sun Deck, as well as the Aqua Expeditions' signature restaurant with award-winning Executive Chef Pedro Miguel Schiaffino.

The boat's itineraries will vary from those of its sister ship, the *M/V Aqua*, but will also explore remote areas of the Amazon River. The 24-crew member *M/V Aria* is staffed with four world-class naturalist guides and will also include an Amazon Wildlife reference library and air-conditioned multimedia room.
