Mr. Miguel Velasco
COLTUR Peru

Dear Miguel:

I would like to express our most sincere gratitude for COLTUR Peru's the excellent coordination and execution performance during AMROP's 2010 Annual Worldwide Conference that recently took place in Lima.

This was the first time a conference of this magnitude is held in a Latin American city, and I must admit it was an extremely satisfactory experience.

Once more my deepest gratitude to the COLTUR Peru team for a tremendous job, of which we have received extraordinary comments from our worldwide partners and AMROP's Chairman.

Sincerely,

Fernando Guinea
