Warsaw, April 2007

Dear Sirs, Dear Friends

It was an unusual experience and great pleasure for New Poland Travel Agency and for our client Hitachi Power Tools Polska to be in Peru on 11-19<sup>th</sup> April 2007 and be hosted by Coltur Agency.

The journey and the whole very interesting and exciting program was prepared and organized by Coltur Peru. We would like to express our contentment of Mr Diego Velasco's work and the whole team of Coltur and guides who were working with us during the trip.

On behalf of our client Hitachi Power Tools Polska we would like to thank you for such a good and professional work! We do recommend the services of Coltur Peru as a tour operator to anyone who would like to enjoy Peru as much as we did.
