Re: Ricon Incentive Program – May 2007  
Lima, Sacred Valley, Machu Picchu, Cuzco

Dear Miguel and Enrique,

When we began the planning process more than a year ago, we were comfortable with our decision to have Coltur assist us with our annual dealer incentive trip.

After the trip, it was very clear that no other travel company could have provided better organization, creativity, personal attention to detail, and caring concern for our qualifying guests. The trip achieved goodwill and increased sales for Ricon, and once-in-a-lifetime memories and friendships for our 115 participants. Some comments from guest evaluations include:

- “Excellent trip planning—we are officially spoiled travelers.”
- “The organization and customer service was very impressive—great job!”
- “I do not have enough adjectives to express how much we enjoyed the trip!”
- “A lot of effort was put into this once-in-a-lifetime adventure—THANKS!”
- “We really enjoyed the trip—probably the best ever.”
- “Remarkable and absolutely unforgettable trip!”

What more can we say, except thanks very much for the professional and knowledgeable assistance provided by you and your staff in making our “Passage to Peru” program such a success.

Warm regards,

Dina Moody  
Manager of Special Events
